Annual Assessment by UGC approved Sector Skill Council

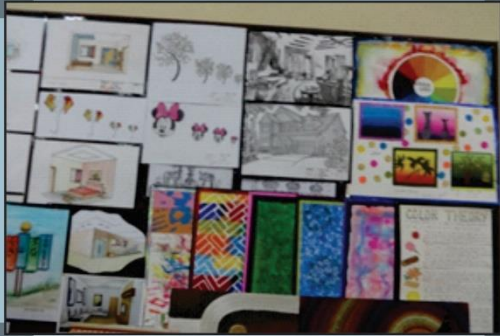

Ministry of Human Resource Development has formulated a National Vocational Education Qualification Framework (NVEQF). According to the detail guideline of NVEQF, UGC had launched the vocational education as a part of college/university education, leading to Degree/Advanced Diploma/Diploma. The scheme is formulated on the guidelines spelt out in the NVEQF. Department of Lifelong Learning started B. Voc. In Fashion Technology and B. Voc. in Interior Design from 2014. The assessment for the skill development components necessarily focus on practical demonstrations of the skills acquired. The Department consulted with respective Sector Skill Council for designing the examination and assessment pattern for the skill development components of the B. Voc. Programs. Sector Skill Councils has developed National Occupational Standards (NOSs) for various job roles in their respective industries. Assessment have conducted for B. Voc. Interior Design and B. Voc. Fashion Technology through respective sector skill council appointed by UGC in every Academic Session and 99.8% students appeared and performed excellent.
